

2021 CFISD Steer

WELCOME!

PROSPECTIVE CY-FAIR CATTLE CREW MEMBERS

2020-2021 Steer raising Meeting

-Today we will talk about

- expectations
- daily routine
- cost
- Prospect shows

Expectations

- Student must spot clean pen everyday.
- Student must clean out pen completely at least every 10 days if not more depending on the steer.
- Student should wash and dry steer daily, to maintain a good coat.

Expectations

- Student must take steer out of their pen and walk/tie up everyday for at least an hour.
- Student must attend all showmanship provided by the booster club and Ag. Teachers.
- Student should be at the barn **EVERY** Thursday between 6pm-7pm to meet with the Ag. Teachers and weigh their steer.
 - This will help manage weight gain and help with any problems the student is having.

ALL Barn Rules apply in the summer, you will receive strikes for any of the following things:

- If you have people other than your immediate family at the barn.
- If your animal is not properly taken care of, no/dirty water, not being tied up or let out to the pasture.
- Dirty pen.

Daily Routine

- Feedings need to be 12 hours apart
- Fresh water must be given everyday
- Summer hours:
 - Every morning: about 2 hours
 - Every night: about 3 hours - steers should be turned out in the pasture every night or every other night.
- School hours: Feedings should be 12 hours apart
 - Every morning: about 30 minutes -Steers should be turned out during the day, once it cools down.
 - Every night: about 3 hours
- You will have this project for 245 days
 - This includes Summer Break, Thanksgiving Break and Christmas Break.
