

Welcome to Cy-Fair FFA !

All Students enrolled in an agricultural course are granted membership into the Cy-Fair FFA.

WHAT'S IN IT FOR YOU? FFA Member Activities

Participation on Leadership Development Events (LDE) Teams - Leadership Development Events focus on creating situations for members to demonstrate their abilities in public speaking, decision making, communication and their knowledge of agriculture and the FFA organization. Team and individual events are used to reinforce what is taught in agricultural science classrooms.

- Agriculture Advocacy
- FFA Quiz
- FFA Creed Speaking
- Agricultural Skills Demonstration
- Radio Broadcasting
- Job Interview

Participation on Career Development Events (CDE) Teams - Career Development Events build on what is learned in agricultural classes and encourage members to put their knowledge into practice. These events are designed to help a member prepare for a career in agriculture by testing and challenging the student's technical, leadership, interpersonal and teamwork skills as well as their knowledge of the subject matter.

- Horse Judging

All FFA members who are planning on participating in any of the above activities must maintain active membership status. In order for members to maintain an active membership, FFA members must attend the monthly FFA meetings. These dates can be found on our website www.cyfair.ffanow.org under the calendar tab.

Other Activities:

FFA Officers & Committees

FFA members are presented the opportunity to develop premier leadership through many activities. Students may be selected to serve by a three phase election process in a variety of positions at the local level and above. FFA members may also serve as a member or chairperson of a committee within the chapter Program of Activities (POA).

Camps, Conventions and Chapter Meetings

FFA members throughout the year have the opportunity to meet as a group at the local, district, area, state and national level. Many benefits of these activities are a result of hearing speakers, participating in FFA decisions, receiving and exchanging information, developing leadership skills, practicing personal growth, preparing for career success and receiving recognition for achievements.

Community Service

Throughout the year under the direction of the student leadership, Cy-Fair FFA members will participate in multiple community service projects. FFA members will seek to be an integral part of the community by giving back through various activities.

- VA Hospital Donations
- CAM Donations
- Cy-Hope
- Lucky Mutt Donations
- Delivering Gifts to Retirement Homes
- Project Linus

Recreational Activities

FFA members will be asked to work hard and play even harder, by participating in fun, healthy activities. FFA members reward themselves for a job well done in the classroom, show ring and other FFA activities by conducting chapter recreational activities throughout the year.

- Greenhand Camp/Week
- Welcome Back/Seasonal Socials

Fundraising Activities

Financial stability is an essential to a successful FFA chapter. In order, to conduct activities and participate statewide the membership must have a strong financial standing. This will be accomplished by motivated FFA members participating in Meat Sales, the Booster Club Craft Show and other opportunities that arise for the membership. It is the responsibility of *all* FFA Members to participate in the fundraiser.

Throughout the year, other activities take place that are too numerous to mention. Each FFA member is encouraged to take part in as many of the activities as possible in order to feel a part of the total FFA experience.
